

January 15, 2018

Dear Sponsor,

On behalf of the Mattawan Band Directors and Boosters, we would like to thank you for taking the time to read this letter and assist in any way possible. Our community has had the privilege of watching the band program develop into the award-winning organization it is today. The program has touched the lives of thousands of students and parents alike, and is a source of pride within the community.

In order to continue this legacy of excellence and to support the growing numbers in the program, we are asking you to consider sponsorship of our band and its students. We are offering sponsorship with advertising space in the concert program for our upcoming Spring Collage Concert and Fundraiser taking place on Saturday, April 28th.

The entire Band Program, Grades 6-12, will join together for 12 hours of musical performances. This brings together our nearly 500 students in a fun and joyous occasion to raise money for new uniforms, continued uniform maintenance, scholarship opportunities, and general maintenance of instruments and equipment. The event will also feature a community dinner fundraiser and silent auction. Expected attendance and program distribution should well exceed 2,000 people!

We would truly be honored to have you as one of our sponsors and supporters in this endeavor. Whether you have a child in the band program, you know someone in the band, were part of a program in your school, or you just enjoy the entertainment that our program provides to the community; at some point we have all been touched by music. It starts here! Help us to continue to make the music happen!

Yours in music,

Amy Lin
